### **Exhibitor Badge Control**

Chiro Texpo '26 issued credentials are the sole property of the TCA must be surrendered upon demand to TCA Conference Representatives. Chiro Texpo '26 issued credentials must be prominently displayed during Chiro Texpo '26 and are non-transferrable. Any exhibitor's representative, misuse of an exhibitor's badge, or any other method or device used to assist unauthorized personnel to gain admittance to the exhibit floor, will be just cause for expelling the exhibitor and their representative(s) from the exhibit floor and/or banning them from future TCA events. This would also warrant the removal of the exhibitor's booth from the floor without obligation on the part of TCA for a refund of any fees. The exhibitor, his/her employees and agents, and anyone claiming to be in the

hall through the exhibitor, waives any rights or claims for damages arising out of the enforcement of this rule.

### **Solicitation of Attendees**

TCA reserves the right to escort any individual from Chiro Texpo '26 who is reported to be soliciting outside the Exposition Hall and/or who is not a Chiro Texpo '26 sponsor or exhibitor. TCA asks that you not to speak with any non-sponsor/non-exhibitor during Chiro Texpo '26 hours.

### **Drones**

The use of Drones/Unmanned Aircrafts ("UAV") is strictly prohibited at all times throughout the entire venue and the adjacent areas outside of the venue. UAV's are devices that are used or intended to be used for flight in the air with no onboard pilot (either controlled manually or through an autopilot using a data link to connect the pilot to the UAV).

### **4. Release and Waiver of Liability.**

action, damages, losses, liabilities, costs, or expenses (including attorneys' fees) arising out of or related to participation in the Adjust Lab, including but not limited to claims for personal injury, bodily injury, disability, or death, whether caused by negligence or otherwise.

5. Indemnification.

Event Participant agrees to indemnify, defend, and hold harmless TCA and the other released parties from and against any claims, demands, damages, or expenses arising out of or related to (a) Event Participant's participation in the Adjust Lab, or (b) any injury or damage caused by Event Participant to another participant.

6. No Medical Treatment by TCA.

Event Participant understands that TCA does not provide medical care, diagnosis, or treatment at the Event and is not responsible for providing medical assistance in connection with the Adjust Lab.
